ABOUT US

Murtaza Enterprises was founded and incorporated under the laws of Kenya to deal with office and computer stationers, photocopying toners, cartridges desk jet toners, Epson Ribbons, Compatible Toners and other associated products; we also deal in industrial masks to all our esteemed clients. Our pride is in the experience of delivery of quality products and services.

MISSION

To ensure the highest level of customer satisfaction through providing professional services; quality products, prompt deliveries and competitive fair market prices.

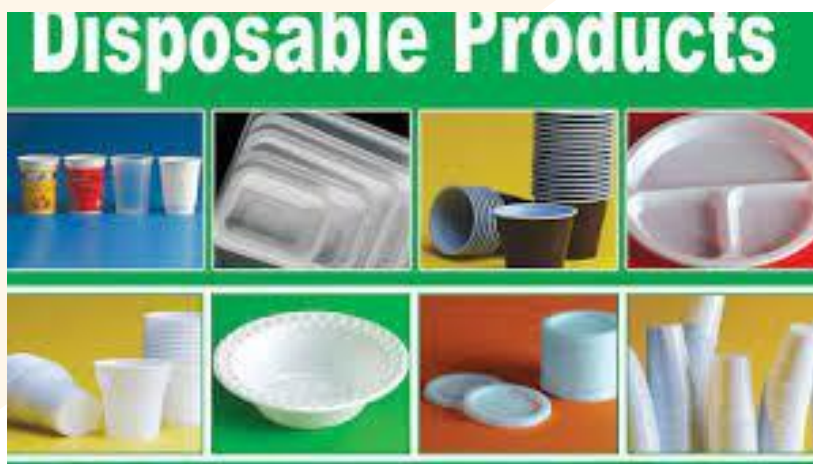

Design Works

We learn how to understand our customers' needs by understanding the current market trends and taking a human centered approach by designing successful products that are eye catching and that bring fresh perspectives for businesses growth.
